

## *Your contribution supports our mission:*

Our mission is to promote the benefits and importance of swimming as a key to fitness, good health, quality of life and the water safety of children. We will accomplish this through operation of the International Swimming Hall of Fame, a dynamic shrine dedicated to the history, memory and recognition of the famous swimmers, divers, water polo players, synchronized swimmers and persons involved in life saving activities and education throughout the world, whose lives and accomplishments will serve to inspire, educate and be role models for all those who participate in the Hall of Fame's experience and programs.
